

The Stoke-on-Trent Foodbank 2023 Christmas Card Competition

We are looking for a winning picture to use for our card to show that #it's good to share - we know that you have stars in your school that can do this!

The winner will be chosen by our warehouse volunteers and will receive a set of printed cards and envelopes including their winning picture, and a Gift Voucher.

This Stoke-on-Trent Foodbank Schools' Christmas competition is for primary and secondary school-age children;

To do a picture for the front of our Christmas Card, showing how 'it's good to share' as seen in our foodbank (especially at Christmastime), the hashtag #ItsGoodToShare can be included, up to A4 in size - different art materials can be used or a computer produced image, as long as you can send us a clear image to print (see below)
