

Ucan be a foodbank Business Friend

As a local business, we'd like to invite you to learn more about Stoke-on-Trent foodbank and the work that we are doing to help those in crisis across Stoke-on-Trent

- Stoke-on-Trent Foodbank has been providing three days emergency food and support to local people since May 2012.
 - Between April 2023 and April 2024, we fed over 20,000 people through three-day emergency food supplies given to local people in crisis by Stoke-on-Trent Foodbank. Over one third of this was for children.
 - There are 16 weekly centre sessions, each with a team of welcoming volunteers, giving food and signposting.
- The running costs to support these centres is approximately £200,000 per year.
